

ALL-AMERICAN HOSE™

217 Titusville Rd.  
Union City, PA 16438

## Agricultural Products – AG Feeder Hose

**All American Hose is a world class distributor of Lay Flat Hose**

**Hose Construction** – 100% high tenacity yarn, extruded with thru the weave Nitrile Rubber construction.

**Chemical Resistance** – Nitrile Rubber Cover increases resistance to oil, fuel, most chemicals and petrochemicals

**Ozone Resistance** – Nitrile Rubber Cover resistant to ozone and oxidation

**Abrasion Resistance** – Nitrile Rubber Cover greatly increases abrasion resistance

**Puncture Resistance** – Tightly woven polyester reinforcement resists punctures

**Temperature Range** - -5°F (-20°C) to 200°F (95°C)

**Designed for Maximum Durability, Flexibility and Service Life**

**Fast deployment and retrieval – saving time and money**

**Easy to store and transport**

**Standard length** – 660' (200M), shorter lengths available

**Color – Black**

**Manufactured within our ISO-9001 certified quality assurance system**

**Warranty** – One year limited warranty against manufacturing defects.

### Performance Chart

Product	Hose Size	Working Pressure (psi)	Weight (lbs./Ft.) Uncoupled	Burst Pressure (psi)
AG40	4"	200	0.84	600
AG50	5"	200	0.97	600
AG60	6"	225	1.34	675
